About the Most Enhanced Awards

The Most Enhanced Awards recognizes outstanding examples of restoration, rehabilitation, and adaptive reuse of St. Louis' architectural heritage. Winners are selected based on criteria such as the difficulty of the project, the historical or architectural significance of the building, the treatment of character-defining features and adherence to best practices in historic rehabilitation. Additional considerations include a desire to highlight a diversity of building types, locations and development entities as well as projects that have the potential to transform and inspire the community.

Date: Thursday, May 28, 2026

Time: 5:30-9:30 pm

Location: The Sheldon, 3648 Washington Ave, St. Louis, MO 63108

About the Attendees

For each project receiving an award, the property owner, project architect, and contractor are invited. Guests include industry colleagues, community leaders, politicians, and preservationists. Approximately 200 guests attend annually with a median age between 40-55.

About Landmarks Association
